

"NOTHING IS TOO GOOD OR TOO MUCH"

John 12:1-7

Main Idea: Because of who Jesus is and what He has done for us, nothing we can give Him is too good or too much

Introduction:

Comparing Pratum farms to Kenyan farms

Why local farmers have to buy expensive tools

Tools determine how much one can farm

Tools enable farmers to benefit others

God has enlarged our spiritual acreage

He is accomplishing His purposes through us

He wants us to expand our influence

An appeal from the elders of EBC

- Join us in keeping our eyes on Jesus, trusting Him to provide for the completion of this project
- Join us in not leaning on our own understanding regarding the pace and timing of this project's funding and completion, but to step out in faith, trusting Him to complete it sooner than we think
- Join us in combining our resources so that we can be used by God to get this tool up and running
- Join us in being generous and sacrificial, knowing that nothing is too good or too much for Jesus

Principles from John 12:1-7

- Because Mary adored Jesus so much, she “wasted” her most valuable possession on Him
- The better you know Jesus, the more you want to give Him
