

Those who are sick must not participate in-person

Please join us online if you have COVID-19 or have been exposed (within 6' for more than 15 minutes) to someone who has a confirmed case, until you are past the self-quarantine time recommended by the OHA, CDC, or your healthcare provider.

Also, if you have had any of the COVID-19 symptoms (fever, cough, shortness of breath, chills, muscle pain, sore throat, new loss of taste or smell, etc.) in the last 10 days, only participate in-person if you have been cleared by your healthcare provider.

Physical/Social Distancing of 6' must be maintained between people (including kids) from different households or parties

A party consists of those who choose to come together and may not exceed 6, unless they are all part of the same household.

Masks, face shields, or face coverings are required

unless an accommodation or exemption is required by law or one of the following exemptions apply...

- Children under 5 years of age.
- Anyone with a medical condition that makes it hard to breathe when wearing a face shield, or face covering.
- Anyone who has a disability that prevents them from wearing a mask, face shield, or face covering.
- While eating or drinking.
- Employees, contractors and volunteers when at or in a location where they are interacting with the public (attendees, visitors, etc.) and 6' or more of distance is maintained between other people (e.g. separate workspaces).

Please note: masks, face shields, and face coverings should NOT be worn by children under age 2 or anyone who has trouble breathing, or is unconscious, incapacitated, or otherwise unable to remove the mask without assistance.

See additional guidelines for those leading or coordinating gatherings on EBC's campus. All on-site gatherings must be scheduled
